Dear Wolf Creek Families:

I am writing today to make you aware of opportunities for low cost internet and computer equipment that you may be eligible for from a variety of sources.

- Comcast Internet Essentials program offers students, qualifying for free and reduced price lunch Internet for as low as \$9.99 per month and a mini laptop for \$149.

<http://www.internetessentials.com/about>

1-800-378-6897

- Good PC offers low cost computers to students, who qualify for free and reduced price lunches.

<http://www.goodpc.com/connect2compete/>

1-800-378-6897

Families must contact these companies themselves as private income data must be shared with individual companies. Families are encouraged to investigate all their options but no provider is endorsed or supported by Wolf Creek Online High School.

Determination if you would qualify for any of the above programs is at the discretion of the individual company and not Wolf Creek Online High School.

Wolf Creek equipment for check out:

Wolf Creek offers mini-laptops for check out on an availability of machine basis, on a per quarter basis to students who have shown successful completion of one course at Wolf Creek. A \$50 deposit is required for mini-laptop check out that is returned to the student or family when the machine is returned to Wolf Creek in proper working order. If you have a status of free and reduced priced lunch status or a homeless status you may be eligible to check out a laptop with the deposit fee reduced.

Any questions about the mini-laptops please contact Brenda Swanson at bswanson@wolfcreekhs.org or call 651-213-2037.

Sincerely,

Tracy Quarnstrom, Director
