

## Wolf Creek Lab Expectations

It is not a requirement for students to be on campus to earn credit; unless the student is enrolled in a course that requires face-to-face attendance. Students who are disruptive while on campus, may be assigned a seat or be asked to leave for the day or a longer period of time. Working on campus is an option and a privilege. If a student is asked to leave campus, transportation plans for the student may need to be altered/arranged.

- All students are to sign in and out when they are on campus for the safety of everyone.
- All noise levels (talking, music, etc.) are to be kept to a minimum at all times while in the computer lab areas. If choosing and listening to music becomes a distraction to the educational environment, students will not be allowed to listen to music any longer. Appropriate volume must be maintained.
- Language, gestures, as well as internet use on campus, will be appropriate for a school environment. If there is a problem in any of these areas, students will be sent home for the day.
- Students must adhere to the Wolf Creek Dress Code (Policy 504)
- Socialization in work areas will be kept to a minimum and will not disrupt other students at any time. Students are encouraged to take breaks in the Great Room when needed. Wolf Creek understands that being social on campus is part of the opportunity to come together as a community and we offer effective community awareness activities in order to achieve these opportunities in a safe environment on campus.
- Breaks should last 10 minutes for each hour that the student is working in lab. If students abuse breaks they will be placed on a modified break schedule with fewer breaks and more supervision during break times.
- Respect for other students and staff will be maintained at all times. Respecting staff includes being on time for any classes, testing, or speakers. Late students may not be allowed to participate.
- Showing respect to staff includes respectful language, gestures, and comments.
- Students will respect all school property and grounds.
- Limited cell phone use is allowed. Limited texting is allowed. All calls must take place in the Great Room. Cell phones can be used on campus when they contribute to educational purposes. If a cell phone becomes a distraction the phone can/will be taken away for the day on campus or a longer period of time as needed by school personnel. Instant messaging, web browsing and inappropriate use of technology will be considered violations and dealt with appropriately.
- The Wolf Creek facility, grounds, and parking lot are tobacco, drug, alcohol, and gun/weapon free. If staff members see these products or paraphernalia, they will confiscate the products and call the local police. Any student suspected of being under the influence of these products will be subject to school policy/procedure. Any student consuming products on, or near, school property will be reported to the local police. Any guns or weapons offenses will be dealt with directly by the local police.

## Wolf Creek Lab Expectations

E-cigarettes and vaporizers are not allowed on campus. (Policies 501, 502, 418, and 419)

- Students can sign out of campus only one time each day; there is not an open door policy. Once students leave they are not allowed to return unless granted lunch privileges. Students must sign out for open lunch privileges at the reception desk prior to leaving the building.
- Students disrupting the learning environment on campus, or not following these expectations, may be asked to leave and may not be able to use campus facilities for a designated amount of time in the future. Campus is a place for all students to work and be successful. It is not required for students to use campus if they are not using it for educational purposes.
- Wolf Creek is not responsible for students who have left the building/grounds.
