

TRIO Wolf Creek Distance Learning Charter School #4095

Procedure 120

Prom

In order for a student to participate in prom activities the student must be demonstrating adequate academic progress.

Progress will be reported by the student's Learning Manager to Wolf Creek administration. Reports will be completed prior to administration signing any participation agreement forms for any student's prom attendance. Failure of the student to adhere to deadlines for prom participation may result in not being allowed to attend prom activities.

Wolf Creek Online High School students in good standing and showing adequate academic progress are welcome to attend the Chisago Lakes Prom by purchasing tickets through a cooperative agreement with Chisago Lakes Schools. Wolf Creek students are guests at the Chisago Lakes Prom and have the restrictions of being Wolf Creek students in good standing in order to be able to attend the prom. Chisago Lakes' students do not have these restrictions but through the cooperative agreement restrictions apply to all Wolf Creek students. Wolf Creek students have the privilege of attending a large high school prom at another school other than the school in which they are enrolled but due to this they must adhere to the procedures needed in order to participate in this way.

Wolf Creek students must purchase tickets from Wolf Creek and not through Chisago Lakes High school in order for Wolf Creek administration to be able to verify the "adequate academic progress" stipulations.

A Wolf Creek student showing adequate academic progress would be a student who has been enrolled at Wolf Creek for at least one term and has passed a majority of classes in that term. For prom eligibility this would mean passing classes in Term 3 at Wolf Creek. If students write a written appeal to the Wolf Creek Director they can choose to use weekly grades for Term 4, but they must be on track in all classes with percentages to use weekly grades.

Please note that even though you may have purchased tickets from Wolf Creek, Chisago Lakes Administration has final approval of all guests at their prom. This is why these deadlines must be adhered to at all times.

If you plan to attend prom, please be prepared and purchase tickets when they are available for purchase at Wolf Creek. Any, and all forms, need to be filled out completely and be approved by Wolf Creek Administration.
