MCA TESTING FOR ALL 10TH AND 11TH GRADERS

Tuesday, April 27th and Thursday, April 29th **Make-up MCA Mathematics, Reading, Science** 10 am and 12 pm.

MCA Reading = All Grade 10

MCA Mathematics = All Grade 11

MCA Science = Passed Biology A & B at Wolf Creek this school year

Students/families have the right to opt-out of testing. Please let us know your reason for opting out. If you have any questions, please contact Brenda Swanson, Dean of Students, at bswanson@wolfcreekhs.org or 651-213-2037.

Attendance is critical. These tests are lengthy and every effort will be made to make up a test if the student is absent. Student academic scores are ranked for each school. Students assigned to test will be notified via email. If your student is not able to attend testing dates Wolf Creek must receive written notification indicating parent refusal for your student to take the MCA test prior to test dates! Students can prepare for the tests by taking sample tests at the following websites:

CONGRATULATIONS TO OUR STUDENTS OF THE MONTH

January

Brandon Pearce is in 10th grade and in his first year at Wolf Creek. Brandon has demonstrated some very important skills needed for successful online learning including time management, discipline, integrity, and communication. Brandon hit the ground running right away and we are happy to have him as a student at Wolf Creek!

Colton Pearce started at Wolf Creek in quarter two and was passing all of his classes and done with required assignments by week 8. But, Colton still chose to come into campus to meet with teachers and his Learning Manager to raise his grades even more! He stays in touch with his Learning Manager often, comes to campus when he needs help on an assignment, and works extremely well from home. Colton is able to stay on track with each week. He is a great addition to Wolf Creek!

February

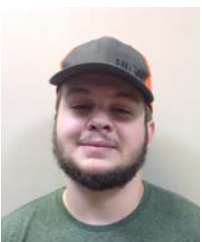

Alayna Hoskins is a senior who has been attending wolf creek since the beginning of her 11th-grade year. She has shown determination to pass all of her classes with good grades and graduate this spring. Despite taking on some pretty heavy course loads and working entirely from home, Alayna continues to hold herself accountable and stay on track in all of her classes. Alayna always gives her best effort on the work she submits and is excellent at communicating with her learning manager!

March

Nevaeh Heyers is a senior with big plans for her future. She is great at staying on track in all of her classes and consistently turns in high-quality work. If Nevaeh is faced with a task that she does not know how to accomplish, she is great about reaching out to her Learning Manager or content teachers for assistance. Nevaeh is a very hard worker, a great communicator, and strives for success in everything she does!

Josh Kubes is a Term 3 graduate who overcame obstacles and worked 100% virtually to achieve this goal! He is positive, respectful, hard-working, and is a good communicator with Learning Managers and Jolene. We are so proud that he graduated but are sad to see him go! CONGRATS Josh!

ATTENTION GRADUATING STUDENTS!
