SCHOOL BOARD MEETINGS

June 25th	4:15 pm
July 23rd	4:15 pm
August 27th	4:15 pm

This is a bittersweet moment for me as I write my last director news as the director at Wolf Creek Online High School. After 26 years as a part of Wolf Creek in one form or another, I have decided to take on another position. I will always remember my time fondly at Wolf Creek. The staff and student connections will always be my favorite memories. I know that Wolf Creek is in good hands with a strong school board and amazing staff to bring it into the future.

I know that change can be difficult and as I think about the class of 2024 being my last one as the director I think about all the change ahead of them and how we must all embrace that change not as scary but as exciting.

Families often ask what they can do to support us at Wolf Creek. We are still looking for a few students to enroll with us for fall so please help us spread the word! Please consider sharing your experience with Wolf Creek in one of the following ways:

- *Tell a friend about Wolf Creek as an option for families.*
- *Write a review on our website or various educational sites that ask for family referrals.*
- *If you had a great experience with us, write a note to the people at Wolf Creek who supported you and your student. It is always great to hear those positive comments at the end of the year.*
- *Please follow us on Facebook and Instagram!*

Thanks for all of your support over the years.

Sincerely,

Tracy Quarnstrom
Director

CONGRATULATIONS TO OUR STUDENTS OF THE MONTH

April

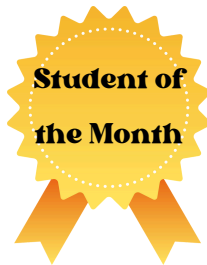

Isabelle is an 11th grader who works hard in her classes and strives to do well. She is kind, artistic, and motivated. She reaches out and asks questions and for help when she has them. You can usually find her on campus at least one day a week!

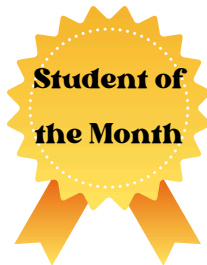

Sadie Horn is a senior who graduated a term early this year. Sadie is an awesome student who takes pride in her work and turns in amazing work. She has really grown during the 3 years she has been enrolled at Wolf Creek and has become a very independent learner. Sadie advocates for herself really well, is passionate about art and creative jobs and is looking into the interior design field. We are so proud of Sadie!

May

Samantha Burnside is a Junior who started at Wolf Creek last year. Samantha is a very conscientious student who follows our assignment checklists and works really hard to stay on track. Samantha does a great job communicating with her Learning Manager and teachers and we really enjoy working with her!

Karly Martini is a sophomore and started as a new student with us at the end of September. She lives in central Minnesota so she works 100% independently from the comforts of her own home. All three terms this year, Karly has remained on-track, or has been ahead, in all of her classes and continues to do amazing work. She is good about asking for help when she needs it and is quick to respond when her learning manager checks in with her.

WOLF CREEK CLUBS CONTINUE TO SHINE!

The Wolf Creek Art Club started in Term four! We held artist hours every other Tuesday--a time to be creative together, whether coloring between the lines or creating our own lines. We also hosted a backyard painting project and brought back the Wolf Creek Art Show. And have a lot of great ideas for next year! We would love to have you join! 2024-2025 SCHOOL YEAR

The first day of school for the 2024-2025 school year is September 3rd, 2024.

In August, Wolf Creek Learning Managers will reach out to students and families to schedule IGP meetings on August 27, 28, or 29. At these required meetings, we work together to pick classes, build schedules, and create individual graduation plans.

New full-time, supplemental, and returning supplemental students should enroll now to secure a spot for the 2024-2025 school year at <https://triowolfcreek.com/enroll.php>. Returning full-time students do not need to reapply.
