

WOLF CREEK ONLINE HIGH SCHOOL NEWSLETTER

www.triowolfcreek.com

Wolf Creek Parents & Guardians,

It is hard to believe, but we have just entered the second half of the 2024-25 school year. Enclosed, you will find your student's 2nd quarter grade report. Please take a moment to sit down with your child and discuss their progress so far this year. Full-time students should be earning 1.75 credits each quarter to stay on track for graduation. Hopefully, your student is doing well and the grade report reflects this. If not, please take a moment to contact your child's Learning Manager and schedule a time to discuss a plan to make things right. All of our students set academic goals with their LMs and parents/guardians should be a part of supporting them in attaining their goals.

As for a mid-year update: We are currently closed for new enrollments due to the high demand for our online programing. We pride ourselves in being able to provide an individualized online learning program for our students and in order to give each of our students the support they require we occasionally need to limit enrollment. Our school is based on a "small community" school philosophy. We believe that small numbers allow each Learning Manager to build a long-lasting relationship with their students. Our mission is not to be the biggest online high school in Minnesota, rather the best. If you know of any friends or family who might be interested in enrolling with us, please encourage them to do so sooner than later as we take students in on a first-come-first-served basis as space allows. We are currently accepting applications for the 2025-2026 school year. Please apply on our website: www.triowolfcreek.com.

I'd like to thank you for choosing Wolf Creek Online High School as the institution you trust to educate your child. We appreciate the opportunity to work with you and your student. If there is ever a concern, or suggestion you have for improvement, we welcome your input. You are as much a part of our school family as your child is. Please feel free to reach out and let us know what we can do for you and your student.

Thank you.

Sincerely,

Mike Hamernick
Executive Director
