## A Note from the Director

Wolf Creek Students, Families and Friends,

This is the final newsletter for the 2024-25 school year. If you are a current student, you should see a copy of your transcripts enclosed. Please take some time to review your records and assess your progress this past school year. If you have any questions, reach out to your Learning Manager or our guidance counselor, Renee.

We thank you for choosing TRIO Wolf Creek Online High School to meet your educational needs. We appreciate you all as members of our school family and hope that you will spread the word to others that Wolf Creek is the best choice when considering attending an online school in Minnesota.

Thank you for your support, collaboration, and feedback while doing this important work together. We have had an amazing 23 years of growth and continuous improvement as a school and look forward to the next 23 years and beyond. Have a safe and relaxing summer! We'll see you again soon!
