A Note from the Director to Wolf Creek Friends and Families:

Spring is finally here which means we're now in the final quarter of the school year. The seniors are getting excitedly nervous as graduation is just a few weeks away and the rest of the students are already making summer plans. Once again, another high quality school year is almost behind us and we're already looking forward to the next.

Thank you for choosing TRIO Wolf Creek Online School as the institution you trust to educate your student. We appreciate your collaboration in our continuous improvement as the online school of choice in Minnesota. If there is ever a concern, or suggestion you have for improvement, we welcome your input. You are as much a part of our school family as your student is. Please feel free to reach out and let us know what we can do for you.

Attendance is critical! These tests are lengthy and every effort will be made to make up a test if the student is absent. Student academic scores are ranked for each school.
