A Note from the Director

This is the final newsletter for the 2025-26 school year. If you are a current student, your Q4 report card should be attached to this email. Please take some time to review your records and assess your progress this past school year. If you have any questions, reach out to your Learning Manager or our guidance counselor, Renee.

We thank you for choosing Wolf Creek Online High School to meet your educational needs. We appreciate you all as members of our school community and hope that you will spread the word to others that Wolf Creek is the best choice when considering attending an online school in Minnesota.

Thank you for your support, collaboration, and feedback while doing this important work together. We have had an amazing 24 years of growth and continuous improvement as a school, and look forward to a fantastic 25th year in 2026-27 as we transition to working with our new authorizer, Innovative Quality Schools (IQS). Have a safe and relaxing summer! We'll see you in the fall!

Return all Wolf Creek materials!

Please bring back library books and Chromebooks not being used to avoid getting a fine!
