

Wolf Creek Online High School Newsletter

From the Director:

As we wind down the 2018-2019 school year we want to thank you for trusting us with your child's education. We also want to remind you, as a small charter school, we need your help in spreading the word on how Wolf Creek has helped you and your family.

Listed below are ways you can assist us:

- Consider writing a letter to the editor to tell others what a great place Wolf Creek is and about your experiences here.
- We have yard signs to advertise Wolf Creek. If you live on a busy street and are willing to take one until late August, please let us know.
- Go to our Facebook page and write a review of the school.
- Donate an amount to the Wolf Creek Alumni Scholarship to show your appreciation and to help other students attend post secondary education.

We are looking for a few more students for full time enrollment for fall, so please help us spread the news of all the good things happening at Wolf Creek!

Sincerely,

Tracy Quarnstrom, Director

Director

Power of You Field Trip

Students enrolled in the course "The Power of You to Succeed" attended the Trollhaugen Ropes Course to test their limits and what they're capable of achieving.

There are four different levels to the course, all of which offer different challenges. However, as you level up, so does the height in which the challenges need to be conquered—with level 4 hovering at about 48 feet above the ground! The course is designed to get students to challenge themselves, to get out of their comfort zone, and to collaborate with their peers to solve different challenges.

2019 Summer School begins on June 11

Summer term is the shortest term in the school year; therefore, students only take one course. There are a variety of classes to choose from. If you have not signed up yet, summer is a great time to keep the momentum going and catch up on credits. Summer term runs from June 11th to July 9th and campus will have open lab Tuesdays 8 am to 12 pm. Please direct any questions to your Learning Manager. We look forward to working with you!

Annual Spring Picnic

Wolf Creek hosted its annual staff and student picnic on May 28th. It was a sunny day for this annual event. This picnic is time for all students, staff, and administrators to celebrate end of year successes and graduates. Games were provided for students and a lot of fun was had at the event. This is a time for students to enjoy delicious food, enjoy being outside, play games and spend time together before summer break.

Testimonials of Wolf Creek Students

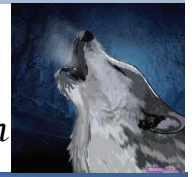

Please consider telling others about Wolf Creek. We are looking for more students to enroll this fall and we know that our best marketing efforts come from YOU, our students and families. We ask that you spread the word to others about the good things happening at Wolf Creek and all the positive things you've experienced.

If you know someone looking for options to getting their diploma, we might just be the best option for them. We are also asking current students to write a short summary or paragraph as to why you love Wolf Creek and what it has meant to you. Send your summary and a picture of the student if possible, to Tracy at tquarnstrom@wolfcreekhs.org. We would like to use the pictures and brief summary on our Facebook page and other social media posts and let others know "the best kept secret" around. Many students and families are not aware of Wolf Creek Online High School. We appreciate your help in letting them know. Thank you!

Many of life's failures are people who did not realize how close they were to success when they gave up.

CONGRATULATIONS to our STUDENTS of the MONTH

Wolf Creek Learning Managers select two outstanding students monthly who are achieving their personal goals.

MARCH

APRIL

MORGAN ENGET – Morgan has a positive personality and her good vibes are always noticeable on campus. She has passed all of her classes this year and is on track to graduate at the end of the year. She comes to campus regularly, communicates well with her LM, and keeps herself organized by tracking assignments for each class on notecards and crossing them off as she completes them. She recently got her first job and has been able to juggle both school and work without issue!

ALEXANDRA HERVIG – Alex is an 11th-grade student who started with us in Term 2. She has worked hard the past two terms on her Pre-Calculus. She made the decision to continue the Pre-calculus sequence, because she's college-bound. Alex has been advocating for herself when she needs help in math and asking to work in Google Hangouts. She's also doing well in all of her other classes and has been taking 2.25 credits each term by choice.

JEREMIAH OLSON – Jeremiah is a Junior and was new to Wolf Creek at the beginning of the year. He works 100% from home and continues to be successful each term. Jeremiah takes his course work seriously and is great about reaching out to teachers for help/clarification if needed. Jeremiah is also on track to graduate early!

OWEN QUINN – This is Owen's second year at Wolf Creek. Owen is a very responsible student who is always smiling, consistently attends campus and is always on track from week to week. Owen works on assignments at home and also has a part-time job. His goal this year is to get high marks in his classes to qualify for a lower car insurance rate!
